We are so sorry to hear of your family's loss. I remember Victor as a kind hearted man, with a big smile and a laugh to match it! We always loved when he and the family would come to our house on McPhillips road for visits. Sometimes he would even entertain us with his wonderful accordion playing....it seems to me Yellow Bird was one he would often choose to play! I know he will be missed by many, but he leaves behind for us many fond memories. Our thoughts and prayers are with you all.

Condolences to the family As a young kid, I remember listening to music played in the evening by Victor from his home. On a warm summer night it could be heard all over town. Thanks for the memories.

I remember Victor as a gentleman and all around good guy. His uncle Paul, my Dad, especially enjoyed being entertained by Victor with the accordion. My Dad thought very highly of Victor. I am so sorry for your loss.

My thoughts are with you at this difficult time. Victor hauled grain to MPE at Selkirk when I worked there. He was such a cheerful person and always looked at life as an opportunity rather than defeat. He left a very positive impression on me and even though I moved to Saskatchewan for employment, Victor has often been in my thoughts. I can still hear him saying, "if the Lord be willing and the creek don't rise" when he planned to haul in another load of grain. Andy Klippenstein

Unfortunately we will be unable to attend the service for Victor. On behalf of our family and brothers' families, we send our sincerest sympathies and prayers. We especially remember those times when we were younger and you visited our Mom and Dad. There was always laughter and good times.
